

Medication and Syringe Disposal

Palomar Pomerado Health does **not** serve as a waste receiving site for medications or syringes brought into our facilities from outside consumers in the community. If retail pharmacies are directing patients to the Hospital, they are misinformed.

Household Hazardous Waste Collection Facilities

There are four Household Hazardous Waste (HHW) Collection Facilities in San Diego County:

Disposal for San Diego County Residents

The County has access to four permanent HHW collection facilities to accept HHW from unincorporated County residents. The locations are:
