

Nursing Instructors and Students

Introduction

The purpose of this guide is to provide nursing instructors and students the opportunity to practice nursing documentation skills in a simulated environment.

- > Computer training should occur at school as Palomar Health cannot provide a room for training
- Contact the Palomar Health HELP desk for any issues at 858-613-4357

Train Domain Student Credentials

Role	Username	Password	Patient
Student Nurse	CCDIRNSTU1 - CCDIRNSTU45	ccdi	POMNSO, ONE-FORTY

Accessing the Train Domain

- 1. Open your internet browser (i.e. Internet Explorer, Chrome) and enter or type the following URL into the address bar: <u>https://paloca.cernerworks.com/Citrix/T163aWeb/</u>
- 2. Log in with your Palomar Health academic credentials Username: ID#; Password (fig. 1)

Figure 1

NOTE: If this is your first time logging in, enter #PalomarLast4ofSSN (i.e. #Palomar1234) within the password field. This is a temporary password and it will prompt you to change your password.

- 3. Determine whether you already have the Citrix Receiver application installed on your PC.
 - a. If you have the Citrix Receiver installed, skip to **step 4**.
 - b. If you do not have the Citrix Receiver installed, click on **Download Receiver for Windows** at the very bottom left of your window.
 - c. b. Click on the **CitrixReceiver.exe** file that will appear at the bottom of your window. See example screen shots below for Chrome (fig. 2) and Internet Explorer (fig. 3).
 - d. The Citrix Receiver Set-up will open when the download is complete.

Nursing Instructors and Students

- e. You may get a pop-up asking if you would like this program to make changes to your computer. Select Allow. (Please note that this pop-up varies by browser.)
- f. In the Citrix Receiver Setup Window, click on Install (fig. 4).

g. Click on Finish when you receive the "Installed Successfully" window (fig. 4.1). You do not need to add an account.
