

PUBLIC NOTICE:

Pursuant to Assembly Bill 2037, Hospital Relocation of Services, Palomar Health is providing the following information:

Effective June 2, 2023, Palomar Medical Center Poway is suspending their Obstetrical and NICU relocating these services to the Palomar Medical Center Escondido Campus. A total of 11 perinatal cribs and 4 NICU cribs will be suspended.

- This will free up space and resources so that Palomar Health can expand their Inpatient Units at the Poway campus. This increase in inpatient service will help meet the needs of the Poway community.
- The OB/NICU staff at Palomar Medical Center Poway will be provided every opportunity to transition to the Escondido campus.
- There are three local facilities that offer Obstetrical services:
 - Palomar Medical Center Escondido
 - Tri-City Medical Center
 - Scripps La Jolla
- These facilities are contracted with Medicare/Medical.
- All questions can be directed to PR@TeamInnoVision.com, or call 619.356.3020 x104
