2024 B Cohort Program Requirements Packet

Thank you for your interest in the Pathmaker Internship! As you prepare to apply for the upcoming **2024 B** cohort, you will need to know the important clearance & orientation information found in this packet.

The recruitment requirements and processes for the 2024 B Application Cycle are as follows:

- We will be accepting applications for both our Level I (High School) and Level II (College/Adult) programs.
- The application window will be open until January 21st or when the required number of highly qualified applicants is reached. As a result, the application window may close sooner than the allotted 3 weeks.
- All interviews will be conducted virtually, which requires that applicants have access to a laptop/desktop with a working camera, microphone, and reliable internet connection.

You will confirm on your application that you have read and understand the information below. You may also be quizzed on the information in this packet at your interview.
